**FIELD SERVICE**

# ATTENTION !!!

Our fully equipped field service division is now available to carry out onsite inspections, servicing and repairs on all makes and types of geared motors (industrial gearboxes, IGU's and associated equipment). Feel free to contact Arno 066 248 6641 (Field Service Sales Engineer) to discuss your Gearbox/Motor requirements and needs.

# Products and Services

A photograph of an industrial site. In the foreground, a worker in a dark uniform with a reflective 'X' on the back stands near a white pickup truck. To the right, a large yellow crane is visible. The background shows industrial buildings and a cloudy sky. The overall scene is somewhat hazy or smoky.
